

# Lotio HD

Product information

## Product description

Lotio HD is a ready-to-use, alcohol-based washing product for hygienic hand washing.

## Area of application

It is suitable for all areas with increased hygiene requirements in clinics, practices, outpatient departments, care facilities, industrial, commercial and laboratory areas, as well as kitchen and food areas.

## Spectrum of activity

- bactericidal (incl. MRSA), yeasticidal
- active against enveloped viruses (incl. HBV, HIV, HCV, vaccinia-, influenza- and corona-viruses)
- limited spectrum of virucidal activity (incl. noro-, rota-, adeno-viruses)

## Instruction for use

For hygienic hand washing, apply 3 ml of undiluted Lotio HD to the hands and thoroughly distribute for 30 seconds. Then lather up with a little water and rinse off thoroughly.
