

Product description

Lotio HD is a ready-to-use, alcohol-based washing product for hygienic hand washing.

Area of application

It can be used in all areas with strict hygiene requirements, including hospitals, physicians' practices, outpatient clinics, care facilities, industrial, commercial and laboratory areas and kitchen and food preparation areas.

Instructions for use

For hygienic hand washing apply 3 ml of Lotio HD undiluted into the hands and spread thoroughly for 30 seconds. Then wash foaming with a little water and rinse. For professional use only.

Lotio HD

Product information

Medical device class

no medical device

Biocide registration number

N-68529

Use biocides safely. Always read the label and product information before use.

Composition

The active ingredients contained in 100 g are:

64,2 g Ethanol

1,0 g Didecyldimethylammonium chloride

Chemicophysical data

Colour colourless

Appearance clear to slightly opaque

State liquid

pH-value (20°C) 6 - 8,2

Density (20°C) 0,88 - 0,89 g/ml

Lagerung und Haltbarkeit

Shelf life

36 months

Shelf life after opening

12 months

Carefully reclose container after each use.

Storage environment requirements

Store the product tightly closed in a well-ventilated location and protect it against unauthorised access. Observe the following storage temperature limits.

Description	Unit	Value
Temperature limits for short-term storage (min. - max.)	[°C]	0 - 40 ¹⁾
Ambient temperature for long-term storage according to shelf life (min. - max.)	[°C]	20 - 25

¹⁾ Short term storage (max. 24 h) up to max. 40 °C has no effect on the effectiveness of the product.

Disposal

Disposal must be carried out in accordance with applicable national and local regulations. Please also note the information from the Material Safety Data Sheet.
