

Lotio Sept Gel

Product information

Product description

Lotio Sept Gel is a ready-to-use, alcohol-based disinfectant gel for hygienic hand disinfection.

Area of application

It is applicable in all areas with increased requirements for hand hygiene: hospitals, medical practices, clinics, care facilities, industrial, commercial and laboratory areas, as well as for mobile activities.

Spectrum of activity

- bactericidal (incl. MRSA), yeasticidal
- active against enveloped viruses (incl. HBV, HIV, HCV, vaccinia-, influenza- and corona-viruses)
- active against noro-viruses

Instruction for use

Clean and dry hands before disinfection. Apply a sufficient amount of Lotio Sept Gel to the hands. Keep the hands moist throughout the entire exposure time and, if necessary, reapply.
