

Lotio HD

Product information

Product description

Lotio HD is a ready-to-use, alcohol-based and cleaning product for hygienic hand washing.

Area of application

It is suitable for all areas with heightened hygiene requirements, including hospitals, practices, outpatient clinics, care homes, industrial and commercial facilities, laboratories, as well as kitchen- and food-handling areas.

Spectrum of activity

- bactericidal (incl. MRSA), yeasticidal
- active against enveloped viruses (incl. HBV, HIV, HCV, vaccinia-, influenza- and corona-viruses)
- limited spectrum of virucidal activity (incl. noro-, rota-, adeno-viruses)

Instruction for use

For hygienic hand washing apply 3 ml of Lotio HD undiluted to the hands and rub in thoroughly for 30 seconds. Then lather up with a little water and rinse.
